

The NDIS and getting ready for it

Information sessions for carers of a person with a disability

Alfred Health Carer Services invites you to understand more about the NDIS. We are holding information sessions for local carers to help you to understand and prepare for the NDIS; and become confident in dealing with the new disability system.

Sessions will be held during the day at the Alfred Health Carer Services offices in Dandenong. You are welcome to attend one or both of the following sessions. Let us know when you book.

Session One: NDIS basics for carers

What do you need to know about NDIS?

The purpose of NDIS, the steps to accessing it, gathering evidence, key words, carers' rights and complaints process.

Session Two: NDIS pre-planning

Planning is key to accessing the NDIS. This session will assist with writing goals, identifying reasonable and necessary supports and preparing carer statements.
